

GALLERY OVERVIEW AND FLOOR PLAN

Applications for an exhibition are welcome from Circle Craft members and non-members working in British Columbia

The Gallery programme of ten shows between February and November is planned a year in advance.

The Gallery Committee is responsible for selecting exhibitors.

Commission on gallery sales is 40% for members and 45% for non-members.

An alert staff, alarm system and cameras maintain gallery security. If an exhibit is stolen or broken during a show Circle Craft pays the exhibitor, minus the commission.
