

CIRCLE CRAFT 2019 GUIDE ADVERTISING

This year we are partnering with the Georgia Straight to offer exhibitors a chance to advertise their business on the popular Straight platform, in addition to our print program at the show.

The Georgia Straight will be creating a unique and dedicated guide to the Circle Craft vendors. This is your chance to be featured in the guide and receive a small story, image and a link to your site. This guide can be shared overall as a Circle Craft Guide or you can share individually to promote your own business through your social media channels.

This is promoted prominently on www.straight.com and will be on the site for 4 weeks – October 14 to November 11. This is your chance to reach 2 million visitors that come to www.straight.com to find out what's happening in Vancouver!

Here's an example of the current Fall Arts Guide to give you a sense of what the overall guide looks like and what you can do. <https://www.straight.com/fall-arts-guide-2019>

Dates Published: October 14 - November 11, 2019

Submission Due Date: September 30, 2019

Price: \$150.00 net per spot
